WINES & VINEYARDS

2017 CABERNET SAUVIGNON ALEXANDER VALLEY

HARVEST & WINEMAKING NOTES

Record-breaking winter rainfall kicked off the season, replenishing soils and ponds. A pleasant spring brought bud break right on time, and produced small berries with excellent color. A hot summer came to a peak on Labor Day weekend, but our grapes fared well. Once cooler weather arrived, our red varieties were able to mature at a gradual pace which allowed full varietal characteristics to develop until the grapes were harvested in mid-October.

TASTING NOTES

Our 2017 Cabernet Sauvignon has an inky dark purple color with a bright purple rim. Extremely fragrant notes of sweet black plum, warm baking spices and cassis are balanced by a hint of espresso. The flavors are similar with ripe black plum and black raspberry with Cabernet spice impressions, and the wine is lush fruit-forward yet balanced. The finish is lingering even and silken, with hints of structure that will aid in aging. Enjoyable now and for many years ahead.

TECHNICAL NOTES

AVA	Alexander Valley, Sonoma County
BLEND	76% Cabernet Sauvignon / 12% Merlot / 8% Cabernet Franc / 4% Petit Verdot
ALCOHOL	14.7%
TOTAL ACIDITY	0.57g/mL
