WINES & VINEYARDS

2019 CUVÉE TIERRA ALEXANDER VALLEY

HARVEST & WINEMAKING NOTES

With the 2019 harvest we were blessed with a mild, even-growing season with excellent fruit set. Generous rainfall in May and perfect yields gave us the opportunity to dial in the flavor profiles, acidity, and ripeness of our individual blocks and varietals.

TASTING NOTES

Lyon Vineyard was the source for our blend of Cabernet Sauvignon, Cabernet Franc, Merlot, and Petit Verdot. Each varietal contributes some desired attributes; Cabernet Sauvignon adds intensity and tannic structure; Cabernet Franc adds red fruit impressions and tobacco leaf aromatics; Petit Verdot adds color, structure, and floral aromatics, and Merlot grounds the blend with black fruits and plum flavors.

A complex nose of brown sugar, opulent raspberry, and black cherry fruits lead to playful hints of eucalyptus and violet notes. Warm allspice and cinnamon wave across the palate developing into vanilla graham cracker and sandalwood. Nuances of wet stone, salinity, and umami round out the finish on this wonderfully complex blend.

TECHNICAL NOTES

AVA	Alexander Valley, Sonoma County
BLEND	36% Cabernet Sauvignon / 30% Cabernet Franc / 24% Merlot / 10% Petit Verdot
ALCOHOL	14.2%
TOTAL ACIDITY	0.6g/mL
