ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

With the 2018 harvest, things returned to a more normal schedule in Alexander Valley. Cooler temperatures, a long, even growing season with good fruit set, good rainfall and higher yields and smooth ripening gave us the opportunity to dial in the flavor profiles, acidity, and ripeness of our individual blocks. A brief burst of rain in early October was followed by a nice dry spell with moderate heat, and we were able to harvest beautiful grapes that were balanced to perfection by nature.

TASTING NOTES

Los Cuatro has an opaque purple color, with a bright purple rim. Aromas of black currant, molasses, blueberry compote are balanced by notes of dried sage and chicory. On the palate, notes of ripe black cherry, dark chocolate, and blackberry. A complex wine that is bold yet balanced. The finish is long lingering and pleasantly dry.
