2019 LYON VINEYARD CABERNET SAUVIGNON

ALEXANDER VALLEY

ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

With the 2019 harvest we were blessed with a mild, even-growing season with excellent fruit set. Generous rainfall in May and perfect yields gave us the opportunity to dial in the flavor profiles, acidity and ripeness of our individual blocks and varietals.

TASTING NOTES

Extremely fragrant aromas of dark cherry, cinnamon, and blackberry are balanced by subtle notes of cedar. The palate is rich and expressive, showing ripe black cherry and blackberry layered with dark chocolate and a hint of espresso. This wine is more assertive and complex, with elevated tannins that provide structure and depth while still allowing the fruit to shine. The finish is lingering and silken, with firm yet polished tannins that support graceful aging. Enjoyable now with decanting and built to evolve beautifully for many years ahead. This bold Cabernet Sauvignon pairs beautifully with savory dishes like lamb chops and grilled portobello mushrooms. For a sweeter option, it also complements rich dark chocolate.
