ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

For many reasons, 2020 will go down in history as one of the most memorable harvests of all time. The resilience of our earth and the food it produces gives us inspiration and hope. Regardless of the obstacles, the fruit was absolute and stood its ground against all odds. The final product is outstanding and we are incredibly grateful!

TASTING NOTES

Our 2020 Cuvée Tierra Red Wine delights the nose with notes of bright red cherry, cola, warm cedar, and a hint of anise. The palate is beautifully juicy with an effortless medium body and velvety texture. The palate then opens with flavors of ripe black plum, black cherry, and vanilla, followed by a decadent raspberry chocolate truffle finish.
