ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

2021 offered us a small but fierce crop regardless of the lack of seasonal rains that we are accustomed to. The ideal ripening weather throughout the summer paired with minimal heat spikes, offered spectacular fruit that held a high concentration of flavor and an increased skin to juice ratio. Our ample, and welcomed, ripening time allowed for an abundance of pronounced aromatics and elegant fruit for our wines.

TASTING NOTES

This Cabernet Franc opens with inviting aromas of tobacco and warm baking spices, including pepper and cinnamon. The palate is beautifully balanced, combining lively acidity with rich flavors of blackberry, dark cherry, and raspberry. Smooth, rounded tannins provide structure, while subtle notes of espresso add depth and complexity. The finish is velvety and polished, lingering with a harmonious blend of fruit, spice, and elegance. It pairs beautifully with pork chops, mushroom risotto, and classic pasta Bolognese.
