ROSALENA ROSÉ

ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

WINEMAKER NOTES

The 2021 harvest was exceptional, with ideal conditions that elevated our winemaking. Warm days and cool nights helped the grapes ripen perfectly, while strategic rainfall ensured a healthy, robust fruit set. These factors allowed us to achieve an ideal balance of acidity and sweetness, resulting in a vibrant, expressive wine. We're thrilled to share the outstanding 2021 vintage and its promise for our Rosalena and future releases.

TASTING NOTES

Rosalena Rosé reveals soft tropical fruit flavors, with hints of ripe strawberries that dance gracefully. It boasts a rich, juicy finish that lingers beautifully, balanced by a crisp, clean edge that keeps each sip refreshing and delightful.
