2021 SANSARA SAUVIGNON BLANC ALEXANDER VALLEY

ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

WINEMAKER NOTES

2021 offered us a small but fierce crop regardless of the lack of seasonal rains that we are accustomed to. The ideal ripening weather throughout the summer paired with minimal heat spikes, offered spectacular fruit that held a high concentration of flavor and an increased skin to juice ratio. Both the whites and the reds retained acidity as the grapes flavor and fruit development progressed. Our ample, and welcomed, ripening time allowed for an abundance of pronounced aromatics and elegant fruit for our wines.

TASTING NOTES

The 2021 Sansara Sauvignon Blanc is clean and bright, with delicate floral aromas that lead into a light and refreshing palate. Flavors of ripe apricots, white nectarine, and subtle lime zest create a harmonious blend of fruit and freshness. The wine's crisp acidity adds a lively structure, while a clean, mineral finish offers depth and elegance, making it a beautifully balanced and approachable wine.
