ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

The 2022 growing seasoning experienced a relatively dry winter, with early bud break, and a warm spring and summer. Spring rains helped the vines develop their fruit, as well as provided some future protection during the summer heat storm.

TASTING NOTES

The wine opens with an intriguing nose of graphite, black cherry, currants, and toasted vanilla oak, complemented by herbal hints of tarragon and a touch of plum sauce, adding a savory richness. On the palate, bold black fruits, particularly blackberry, lead the charge, supported by a hint of spice. The medium body is enhanced by smooth, crushed velvet tannins, while subtle cedar and black peppercorn notes bring additional complexity. The wine is well balanced, with a refined mouthfeel and lingering finish that leaves a lasting impression of depth and spice.
