2022 JOVENCITO CABERNET FRANC

ALEXANDER VALLEY

ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

The 2022 growing seasoning experienced a relatively dry winter, with early bud break, and a warm spring and summer. Spring rains helped the vines develop their fruit, as well as provided some future protection during the summer heat storm.

TASTING NOTES

This wine showcases an intriguing nose with graphite minerality complemented by ripe red cherry and bright cranberry aromas. On the palate, it is medium-bodied and well-balanced, offering a smooth experience without heaviness. The initial burst of red fruit transitions into sophisticated notes of tobacco and cocoa nibs, adding warmth and depth. The finish is lingering, with subtle spice hints that invite another sip. Overall, it beautifully balances fruitiness and earthy elements, making it versatile.
