ECO TERRENO
WINES & VINEYARDS

2022 LO SELVESTRE CHARDONNAY
ALEXANDER VALLEY

ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

WINEMAKER NOTES

The 2022 vintage was one of extreme weather yet still achieving balanced wines. The Chardonnay typically buds out first in mid March and set is completed by 2nd week in May. Weather was cooler than usual from late spring thru early summer. Veraisson for Chardonnay was by the the first week in July. August was dry and less marine layers than typical. However we experienced a big heat wave during Labor Day weekend. Fortunately, we had sprinklers on the whole time to keep the vines and fruit from being sunburned. Harvest therefore was immediately after; and we finished the Chardonnay by September 10th.

TASTING NOTES

Fragrant aromatics of pear and guava lead the nose, layered with subtle tropical notes and a touch of brioche. The medium-bodied palate is creamy and well-textured, balanced by bright acidity that supports ripe flavors of guava, vanilla, and crème brûlée. The finish is long and expressive, echoing the fruit and richness before concluding with lively citrus and a hint of spice. An elegant, flavorful Chardonnay that pairs beautifully with scallops and crab cakes.

AWARD

GOLD - San Francisco Chronicle Wine Competition 2026

AVA:	Alexander Valley
HARVEST DATE:	September 2022
BLEND:	100% Chardonnay
ALCOHOL BY VOLUME:	13.9%
