ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

The 2022 growing seasoning experienced a relatively dry winter, with early bud break, and a warm spring and summer. Spring rains helped the vines develop their fruit, as well as provided some future protection during the summer heat storm.

TASTING NOTES

The wine opens with captivating aromas of blueberry, plum, and a hint of peppercorn, complemented by delicate floral notes, possibly violets, and a subtle touch of bay leaf. On the palate, it is plush with a medium-plus body, featuring bright red currants and vibrant acidity that lift the flavors. The velvet tannins create a smooth, refined mouthfeel, while concentrated plum fruit adds depth and richness. Its deep crimson color hints at the intensity and complexity of this beautifully structured wine.
