## ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

## WINEMAKER NOTES

The 2022 growing seasoning experienced a relatively dry winter, with early bud break, and a warm spring and summer. Spring rains helped the vines develop their fruit, as well as provided some future protection during the summer heat storm. Our rosé was made from Cabernet Sauvignon and Cabernet Franc grapes, leaving a beautiful rose gold hue.

## TASTING NOTES

With a gorgeous rose gold hue, our 2022 Old Vine Rose of Cabernet Sauvignon comes to life with initial aromas of summer berries and citrus. The palate validates the nose, displaying bright strawberry before introducing a welcoming wave of watermelon juice. The smooth, almost creamy weight of this wine contributes to a balanced acidity that evens out the juicy notes of lemon zest that linger on the palate.
