2023 CUVÉE ACERO SAUVIGNON BLANC
ALEXANDER VALLEY

ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

WINEMAKER NOTES

We started harvesting our Sauvignon Blanc on the 3rd week in August with the .Musque clone. Next, the Old Vine Sauvignon Blanc started after Labor day, 5th of September and finished on the 6th. These are our two finest Sauvignon Blanc blocks for this exquisite Sauvignon Blanc. No extreme heat, nor cold temperatures all the vintage long.

TASTING NOTES

Our 2023 Cuvee Acero Sauvignon Blanc opens with vibrant aromas of tropical fruits, including guava and papaya, layered with delicate floral notes. The palate is richly textured, revealing lively flavors of nectarine and golden delicious apple. A bright, crisp finish adds freshness and balance, making this wine an ideal companion for sunny afternoons.

This Sauvignon Blanc pairs beautifully with fresh oysters, beet salad, citrus-forward salads, and a variety of white fish and shrimp dishes.
