ABOUT ECO TERRENO

Great wines are not just produced, rather they are carefully cultivated. At Eco Terreno our vast experience along with time honored traditions and a healthy respect for the land help us cultivate grapes that are of the utmost quality and flavor. In 1980, after an extensive search, Founder and Winemaker Mark Lyon found a 122-acre (92 acres planted to vines) vineyard in Alexander Valley near Cloverdale. Today the Lyon and Cisne Vineyards are both 100% certified Organic.

HARVEST NOTES

The 2024 Cabernet Franc went smoothly starting in late September. Harvest was outstanding, with a steady growing season that produced beautifully balanced fruit and vibrant color. Harvest itself went smoothly and seamlessly, allowing us to handpick the grapes at their peak. This perfect combination of growing conditions promises exceptional wines with great depth and character. We're excited for what this 2024 vintage will bring!

TASTING NOTES

Our 2024 Cabernet Franc opens with a complex bouquet of black pepper, licorice, layered with vibrant aromas of ripe red cherry and strawberry. On the palate, notes of cracked pepper lead into flavors of red cherry and raspberry, supported by abundant yet seamlessly integrated tannins. The finish is long, dry, and peppery, with a subtle hint of vanilla adding warmth and depth, inviting another sip.

This Cabernet Franc pairs beautifully with grilled lamb chops, mushroom risotto, and roasted vegetables with herbs.
